# *CELEBRATING SUCCESSSES*

## *KING MIDDLE SCHOOL*

Daughters of the American Revolution (DAR) Good Citizenship Medal Award Winner Nicole Laredo was recognized by her teachers as the DAR Good Citizenship Medal Award Winner for 2003. Nicole was singled out for her outstanding commitment to the King Middle School community. Nicole's civic and social awareness and commitment manifests itself through her involvement as a the Associated Student Body President; music, where she takes on a great leadership role in Advanced Band and Jazz Band; and extra-curricular activities such as being the Varsity Cheerleading Captain and as a former winner of the school-wide Spelling Bee. Nicole civic and social impact is felt everyday during our morning announcements, "The Panther Preview," where she leads the school in the Pledge of Allegiance and broadcasts news of the day. Nicole Laredo expertly balances academic, social, and civic commitment. She fully embodies the school's Golden Rules: Take care of yourself, take care of others, take care of your school.....John McKenzie, Assistant Principal

## *OLSON SCHOOL*

Olson School had a very successful Spring Open House on April 14th. Parent and family sign-ins indicate that over 90% of the students came back to school during the evening with a family member to visit the classrooms and their teachers. In some classrooms, activities were taking place such as a Brothers Grimm play, "It's a Jungle in Here," science and math stations, and parent participation centers. In addition to the usual student display of student work, other special and colorful projects for the families to experience included "All about Me," "First Grade Memories," student face profiles, United States state reports, detailed student portfolios, autobiographies, fifth grade outdoor science camp memories, monthly highlight folders, class-created auction items for the upcoming Sock Hop and Silent Auction, "My Year in Third Grade" photo book, creative cross curricular artwork, and individualized book reports. Parents and children toured the campus checking out next year's classroom in anticipation of another exciting and challenging year.....Bob Miller, Principal

## *FOOTHILL SCHOOL*

The Foothill School Parent Teachers Association is very proud to inform everyone that the school has been named a SCHOOL OF EXCELLENCE by the National PTA. Monte Vista Elementary School has been given the award, as well. Twenty-two schools in California, 225 nationally, received this honor. Having two schools within the same district achieve this recognition is outstanding. We are very proud to be part of this success..... Laura L. Seva'aetasi, Foothill PTA Public Relations

**COLTON MIDDLE SCHOOL**

During the spring recess, a group of Colton Middle School students traveled to Washington D.C. and New York. Sixty-one students and ten adult chaperones made the trip back East. The group had opportunities to see many wonderful monuments and historic sites during the five days. Highlights included the Jefferson, Iwo Jima, FDR memorials, the Kennedy Center, Arlington National Cemetery, Gettysburg, and a Capitol tour. We also had an opportunity to meet Congressman Frost from Texas and our own Congressman Sam Farr. We saw the Broadway production of the Lion King, which was spectacular. Our last day of the trip was one of the most rewarding. The students visiting ground zero and seeing the devastation and re-building was a sad, but still uplifting experience. We all arrived back from the East coast tired and needing some sleep, but it was a trip with many memories that will last a life time.....Jeff Uchida, Assistant Principal

**BAY VIEW SCHOOL**

Recent rankings show that Bay View Elementary School currently ranks second among all schools in the Monterey Peninsula Unified School District. These rankings are important, but only part of what is essential in creating a well-balanced and diverse curricular experience for our students. Bay View is investigating ways to provide opportunities for students to be creative in the areas of technology, language, and the arts. We are in the planning stages of creating an after school theater group, instrumental music classes, Spanish class, and computer club to compliment our choral music program, tutoring program, and martial arts program that are currently in place. Bay View has a new look! Over the break the exterior of the school was painted! This was made possible through the generosity of our PTA, local military volunteers, and the District maintenance department.....Joe Bennett, Principal

**KING MIDDLE SCHOOL**

Music Teacher extraordinaire Elizabeth Miranda was honored with the Flagg Award for her distinguished service to students, staff, and campus. Elizabeth was recognized for her earnest and diligent work with students through orchestra, band, jazz band, and chorus. Mrs. Miranda is a great spirit who nurtures the souls of students through respect, knowledge, and undying support. She is the type of individual who will find a way to make a child's life more fulfilling through music and the beauty of life. Elizabeth always has a kind word, an extra instrument, and smile to help students, teachers, and the school community.....John McKenzie, Assistant Principal

**CRUMPTON SCHOOL**

On Tuesday, April 29th, 2003, Joy Chandler, 1st grade teacher at Crumpton School, received the 2003 Lou Flagg Excellence in Teaching Award presented by the Community Foundation for Monterey County. Ms. Chandler is an outstanding teacher who consistently makes a difference in students' lives. She stays current with educational research and applies her learning in making meaningful changes to her curriculum and teaching applications. She is warm, caring, dedicated, and sensitive as she teaches in a risk-free environment where children are valued and respected. In her words, "I am truly blessed with contentment, purpose, and self-worth that teaching provides me. I am touched to be touching lives and my message will continue to be, 'You are very important to me. I have faith in you and genuinely care for you.' In this endeavor, I need to teach well, have the highest of expectations for learning and behavior, and maintain a personal, caring, and genuine relationship with each child and family."
