### **BACKGROUND:**

The Board has received several briefings on the proposed Memorandum of Understanding between the Monterey Peninsula Unified School District and the City of Marina regarding school facilities to serve the growth areas in and around Marina. This revised draft Memorandum of Understanding is proposed to serve as a framework for subsequent agreements and cooperative efforts to serve growth areas in a cost-effective and mutually beneficial manner.

The joint meeting of the Board of Education and the Marina City Council is the first in many years. After an introductory presentation, Board and Council members will have a chance to discuss the Memorandum of Understanding and related policy issues.

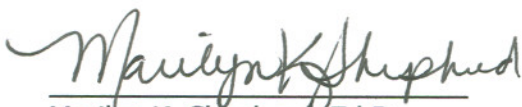

Any final changes will be completed prior to the MPUSD Board of Education and Marina City Council approving the Memorandum of Understanding in a future Board/Council meeting.

### **RECOMMENDATION:**

Receive report and discuss revised Memorandum of Understanding with members of the Marina City Council. Give direction to staff including adoption of a final Memorandum of Understanding for School Facilities and Financing.
